“Is Justification Real or Not”

How can you live the righteous life of God and all you think about is sin? Sin, sin, sin! No! That is what religion does to us. Thou shall not, thou shall not, thou shall not. Is this justification that I have been reading about in the bible all this time real or not? Once you learn this, serving God becomes easy. But because we don't understand what justification is and all that it entails, we say that living for God is hard.

**“His Name is
Jesus”**

For anybody that might be struggling. Anybody that might be tired. Anybody that might be feeling guilty. Anybody that might be in a place where it doesn't seem like God is as real as He once was. You might be in a place where you are numb on the inside. Embarrassed, hurt, angry, rejected, unappreciated, unloved, any of those this message is for you.

I have one answer for all of those, His name is Jesus. He is the Savior. We have to talk about this work of Salvation. Specifically for these particular problems: *“I did not know justification was sent specifically for the wrongs in me. The guilt that I have. The shame that I carry. The wrongs that I have done.”*

Remember, where the Spirit of the Lord is there is liberty. To liberate something means to free something that once was captive, and now it's free. If the gospel of Jesus Christ is preached somebody is going to get free. The gospel that is being preached right now is putting people further and further into bondage of sin consciousness.

“Is Justification Real or Not”

But He Himself said, ***"come to me all you heavy laden and burdened, and I will give you rest. Take My yoke upon you and learn from me. For My yoke is easy and my burdens are light."***

So, somebody must have been lying. Because Jesus said His yoke is easy and His burdens are light. But you are saying it is hard to live right.

So, it is obvious that you and Him are talking about two

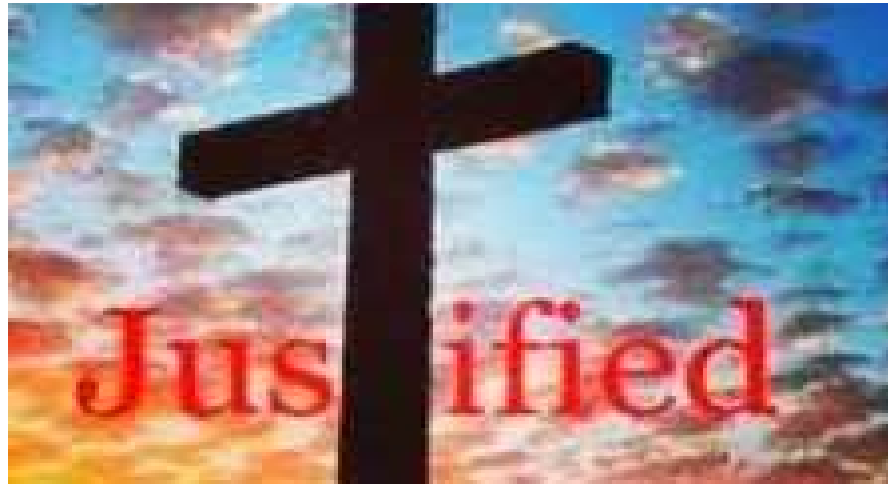

different lives. You are talking about religiously being saved. Saved from sin. You were once living in sin. Being pulled on and pulled away by sin, saying *"I'm doin' me."* The question is, were you in control? No, you were under control of another spirit or another person. Jesus said, ***"he who commits sin is a slave to sin."***

You and sin weren't equal. You weren't in charge of anything, sin was. Did sin ask you anything, or just pull you? Sin had a hold on you. You want to go one way, but sin pulls you another. Something in you is pulling you away from something that is good for you. How can a preacher constantly preach about holiness, and living holy when all that is taught is sin and sin consciousness.

Sin isn't holy! Here is an example: let's say the Lord tells you there is money on the way? Immediately a manipulating spirit tells you that God isn't doing anything for you, you are the only one that does anything for you, that wasn't God. In all actuality, it was sin telling you that. Sin doesn't want you to believe that was God speaking to you and tells you God does not do anything for you.

"My yoke is easy and my burdens are light"

“Is Justification Real or Not”

When you attend a church that only teaches on sin, when that is the very thing you are trying to get away from. Then be careful my brothers and sisters, because when you think on sin long enough you will go back to it! We should be learning about the Life of Christ, the righteousness, the alternative life to live to sin and death, and all you ever heard in church was death. All that ever does is bring out the feelings of sin

in me. That type of teaching doesn't help you and keeps you focused on the sinful lifestyle. Jesus said that He came to give you life and have it more abundantly. So, there is a life to live. A life worth living where you are not even tempted to sin.

“there is a life to live. A life worth living”

You replace the time you spend thinking about sin, with *"I am the righteousness of God. I have been justified by Christ. I am a new creation, all old things are gone the new has come. I am a joint-heir with Christ. I have been accepted into the love of God. I am more than a conqueror. The same love that the Father loves Jesus with, he loves me with. I am blessed."* This is why the message of justification is so profound right now.

Where you were once bound to sin, Jesus now set you free from that. This is how you may think justification is not real. Because we have all heard the don't do's, but haven't heard what we can do, the do's. It is even possible you grew up just hearing what you can't do, and never heard what you can do in Christ.

Did Jesus say that He came that you might have 'saved?' No, Life! Jesus came that you might have Life, and have that life abundantly. Life is more about just being saved. It is living the kind of Life Jesus gave you and enjoying it to the fullest. This is what makes justification real, living the Life of Christ. The life He gave you.

Antonio Girley has been saved and musically inclined since age of three. He is from Florida, where he has been involved in music his entire life. He always had a voice to sing. He first started out on drums, until age 13 he progressed to the keyboard. He grew up in an environment of rehearsals, playing in the church and in multiple choirs. He was honored to be a part of great musicians growing up. Then one day he came out of his comfort zone. The turning point was he knew he wanted to express himself through music. He knew there was a ministry that needed to go forward. He began to fill a void through song. It sparked out of rehearsal one day, then everything began to flow. He has been a musical director most his life and composed many songs. He was the music director for ‘Somebody Prayed For Me.’ His song ‘Praise and Honor,’ is currently being played on the radio, with a re-release coming in September.

‘Life Changers’

“Get in on the highly anointed prayer. God is doing miracles and changing so many lives with the power of prayer. You can be next! Take-a-look at the powerful testimonies. See you Soon.”

Pastor David

“Eighteen years ago, I was diagnosed with endometriosis. A painful condition of the walls of the uterus thickening. Five years ago, I was told I had fibroma. I went for a follow up, and for my annual check up. After all routine check ups and ultra-sounds, I was told, I no longer had any of those diagnoses. As I was praising God. God reminded me, that during ‘Life Changers’ God was praying about female organs and female conditions. God healed me during that prayer. Hallelujah!”

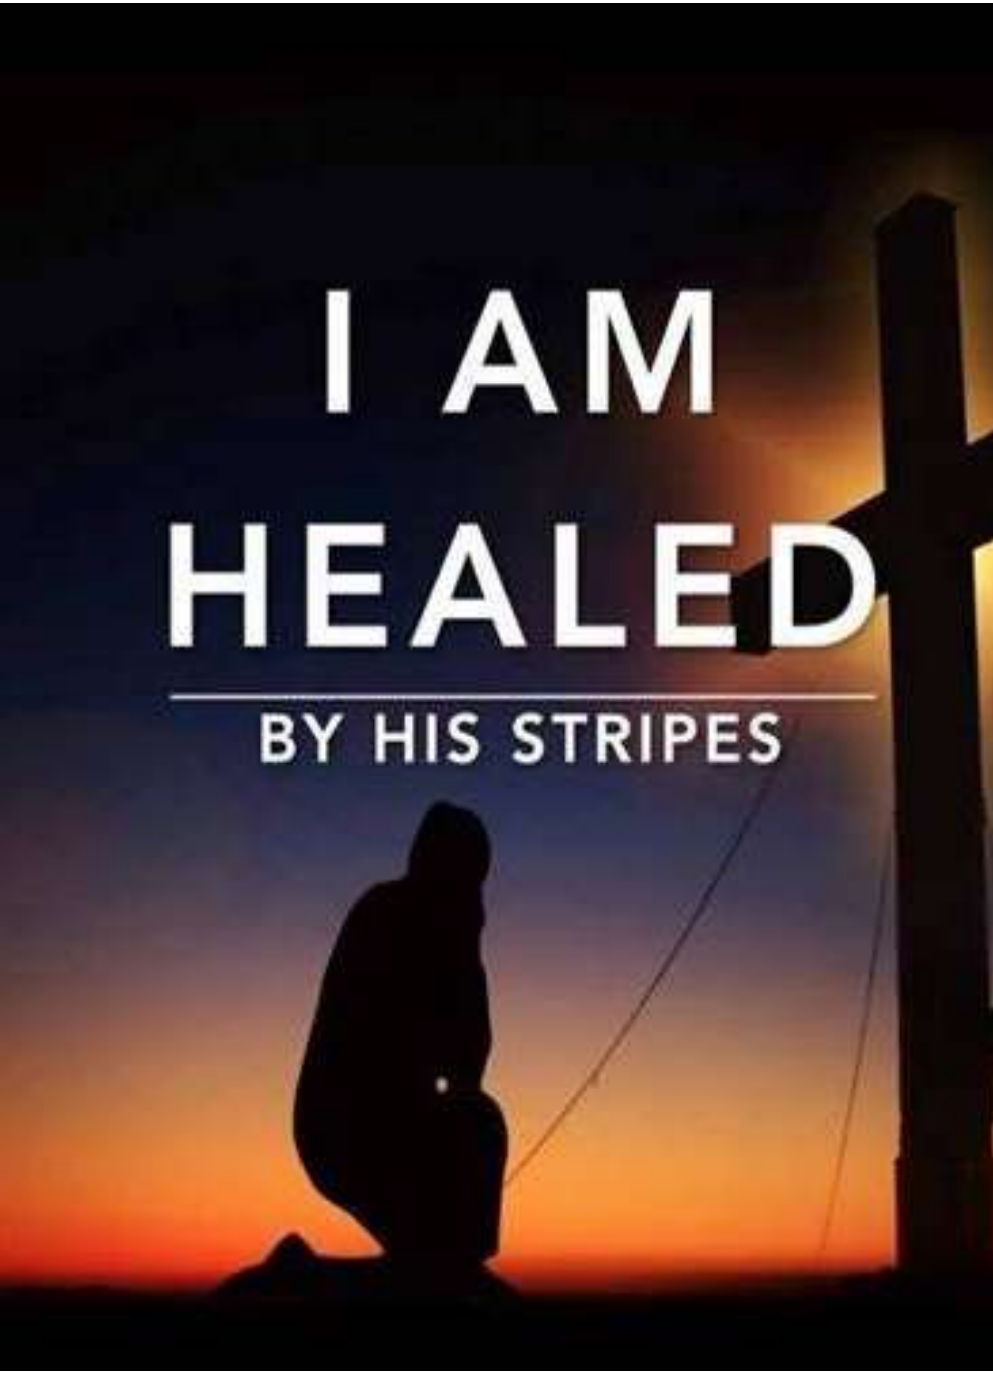

Nvard

“On March 12th, I received a phone call from the hospital. My mother had been discovered unconscious in her house and she had to undergo emergency surgery. As I spoke with the surgeon, at the time, my mother’s large intestine had a hole in it. There was a toxic substance that had been spilling into her insides for days. Her first surgery performed was to remove her entire large intestine. After further examination, the doctors found cancerous masses in her organs. Immediately before her next surgery I called Pastor David. We prayed for my mother on ‘Life Changers’ for a successful surgery. Although the doctors weren’t sure of the outcome, her first surgery went very well. But the doctor’s had to wait to see if the extreme Sepsis would leave my mother’s body before they could perform the second surgery on her small intestine. According to the nurses and doctors on staff, they weren’t sure if my mother, in her weakened state, would turn for the worse after surgery. In fact, they didn’t even close

up her stomach. They just waited. The next day, Pastor David and all the ‘Life Changers’ prayed for my mother. For all of the Sepsis to be gone in her body. One day later, the doctors could not find any trace of Sepsis. They were able to perform my mothers second surgery again without complication. On March 19th, the original surgeon that saw my mother in the hospital for the first time called me. He said that when he saw the condition of my mother originally, he only thought that she had a day or two to live. Let alone successfully recover from two major surgeries. He told me that her recovery and medical state defied all my text books. He was mystified by my mother’s significant turn around. Glory to God! I am so grateful!”

Sarah

“God healed me during that prayer! Hallelujah!”

I AM HEALED

BY HIS STRIPES

I AM HEALED

Isaiah 53:5

When you believe in your heart and confess with your mouth that Jesus took your infirmities and diseases to the cross at the same time He took sin, then you can confidently shout, 'I am healed!' It is always God's will to heal you and restore you back to divine health, ALWAYS. There is never a time when it's not His will. Not ever! If you might be thinking God put your sickness on you to teach you a lesson, remove that lie out of your life. God does not put sickness on anyone or tempt someone to sin. He would never do anything to cause someone to fall, present anyone an opportunity to turn their back on Him, or cause hardship. It wasn't Him, it was the enemy of this sin-sick world. God cannot work against Himself. He can't put sickness on you, then deliver you from it. He is the One that heals, delivers, and sets you free. His redemptive work on the cross is for anyone and everyone who believes on Him. Healing belongs to you. By your faith, it's yours. You are healed!

Depressed? Just Stay Alive

Did you know the Apostle Paul was depressed? Oh yes he was! He was in mental anguish and agony. He was tortured in his mind and cried out to Jesus to end his relentless internal torment . He viewed himself as 'a wretched man.' The effects of depression gave him low self-esteem. Does that sound like you? Even though he struggled this way he did not give up. He knew our Lord Jesus would deliver him out of his condition. That's love! God used him in-spite of how he felt. God is going to use and deliver you too! That is why the attack against you is so strong. We can learn from Paul's example. In-spite of what he endured, he carried out what God called him to do. He kept the faith. Stay encouraged. Jesus loves you just as much as he loved Paul. You will survive this!
